

# The 3Rs of Back to School

with **JCCA**  Repair the world  
child by child

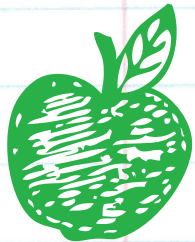

## **R**outines make it easy

- Write up a family schedule to get back in the habit of waking up early and doing homework.
- Use pictures to create a visual list for little kids.
- Give positive feedback when they meet their goals.
- Plan your meals and set out clothes at night for easier weekdays.

## **R**esources make it accessible

- Get to know your school's Parent Coordinator to connect with teachers, the principal's office, and local resources.
- Reach out to your JCCA caseworker for info on tutoring and parent education workshops.
- A JCCA Education Coordinator can get your teen on track with scholarships and internships.
- Put the DOE calendar on your phone and make sure you have child care on Parent-Teacher conference days.

## **R**ituals make it rewarding

- Weekly outings to the library are a great way to support literacy.
- Do special activities to mark academic milestones, like pancakes for dinner the evening before school starts.
- Prepare a lucky breakfast or write an encouraging note on testing days. Make sure kids know their success is important to you!
